DEMO LOAN PROGRAM

HOW THE DEMO LOAN PROGRAM WORKS

There is no cost to your company for the use of the demo unit, provided it is returned in non-damaged condition and within the agreed loan period.

If the demo brace is not returned within 30 days, your company agrees to reimburse Fabtech Systems for the cost of the device.

Your company is also responsible for any repairs or replacement costs should the device be damaged or not returned while in your possession.

Shipping Details

Fabtech Systems will ship the demo unit via UPS Ground. If you require expedited shipping, please provide your UPS or FedEx account number. All next-day or air shipments will be billed to your account.

Demo Period & Return Instructions

Return shipping is the responsibility of the practitioner.
