

All units of measurement are in grams

Amount Per Device:

Average amounts of mixed resin required to fabricate these devices expressed in grams.

Total = Part A + Part B

Total in Grams	Part A - Resin	Part B - Hardener	Amount Per Device
100	69	31	
120	83	37	
140	97	43	
160	110	50
